

AGRA FOUNDATIONS

With over 60 years' experience in North America, AGRA Foundations Limited ("AGRA") has established itself as a leader in the deep foundations industry. Through our affiliation with the Soletanche Freyssinet group of companies, AGRA combines local experience with international expertise and has the ability to complete any size of foundation project. Our employees enjoy a safe and stable work environment and a competitive compensation package based on experience.

We are currently seeking a Lead Mechanic based in our Calgary yard. This position requires the flexibility to work on sites across western Canada, including remote locations, as required.

Responsibilities:

- Adhere to AGRA's Health and Safety Program and Corporate Policy and Procedures including the participation and sign off/on F.L.R.A. (Field Level Risk Assessment) and a strong focus on housekeeping in the field, shop, or other work areas.
- Be fluent in O&M Manuals for core assets
- Disassembly, diagnostic, assemble and repairing of piling drill rigs and support equipment (cranes, loaders, etc.)
- Perform preventative maintenance as well as emergency repairs on the equipment
- Operate company service vehicle as per policy
- Operate various hand and power tools for maintenance on equipment in accordance with manufacturers recommendations
- Responsibility to stop work when unsafe situation is observed by the use of the STOP card procedure
- Take instructions from supervision
- Comply to Maintenance Assist (MA) requirements by prioritizing work orders and completing close-out reports
- Ensure critical spare part inventory is readily available
- Establish strong supplier/vendor relations associated with spare parts
- All other duties as assigned by Supervisor

Qualifications:

- Journeyman Heavy Duty Equipment Mechanic or equivalent
- Minimum of 5-10 years servicing rotary drill equipment. Experience with Soilmec piling rigs would be considered an asset.
- Well versed in hydraulics
- CSTS or equivalent (SCOT, PSTS)
- Class 5 driver's license or if otherwise specified
- PME (power mobile equipment) or other specified training
- W.H.I.M.S
- Proven track record in safe work procedures and quality workmanship

AGRA FOUNDATIONS

Preferred Skills:

- Ability to work in a shop/yard as well as field environment (including cold/harsh environments)
- Ability to work alone/unsupervised
- Ability to routinely lift at least 25 lbs for periods of time
- Excellent troubleshooting, diagnostic, and problem solving skills
- Good communication and written skills
- Computer skills (diagnostics)
- Possess a Professional attitude

By joining our team, you will become part of cutting edge and have opportunities to build strong relationships with industry leaders from around the world. A competitive benefits package is just another reason why AGRA is a great place to work.

If you are interested in this exciting opportunity, please apply by email to careers@agra.com. Alternatively you may mail your resume to the Edmonton Branch Office at 7708 Wagner Road, Edmonton, AB, T6E 5B2 or send it via fax to 780-466-7465.

Only candidates being considered for this position will be contacted. AGRA is an equal opportunity employer.

At this time, AGRA requests no agency/head-hunter submissions. Resumes submitted to any AGRA employee without a signed and valid contract in place will become the property of AGRA and no search/finders fee shall be paid to the agency/head-hunter.
